

I Draw Your Face On the Night Sky

I draw your face on the night sky
by connecting the stars,
the brightest for your eyes.

I draw your face on the night sky,
connecting the stars
till your gaze meets mine.
Through the nights,
I'll look into your eyes this way
no matter where you are,
until one day your hands join mine,
and joy will light the nights.

I draw your face on the night sky
by connecting the stars,
the brightest for your eyes.

Oh yes, I draw your face
on the night sky.
